Paper Types

E-surface

E-Surface Paper

Fujicolor Crystal Archive Professional Paper Super Type PD (Traditional E-Surface Paper) is the most popular paper used by professional photographers.

Product Highlights:

- Boasts accurate color, realistic saturation, excellent neutral flesh reproduction, and great intensity and offers brighter blues, cyans, purples, and reds.
- Standard Archival Value of 100 years in home display; 200 years in dark storage.

Fuji Pearl

Fuji Pearl Paper (linen texture required)

Fuji Pearl Paper features a unique pearlescent surface with ultra-bright backgrounds.

Product Highlights:

- Uses a patented combination of film and laminate layers resulting in striking three-dimensional images. It offers natural-looking flesh tones, sharp details, and beautifully-saturated colors.
- Resistant to tearing and curling without any additional lamination.
- Standard Archival Value of 100 years in home display; 200 years in dark storage.

Classic Felt

Classic Felt

One of the finest printing papers made today, Miller's Classic Felt press paper has a luxurious feel and smooth finish, producing a high-quality, timeless option for press products. It is an acid free, archival and Forest Stewardship Council certified paper.

Product Highlights:

- Weight is 130# Cover/352 GSM.
- It is archival, acid free, elemental chlorine free, and made of 30% recycled content.

Custom Covers

Custom Image

Customize the cover of your Miller's Signature Album with your very own design. Your image or artwork will be printed on one of four substrates and will wrap around the entire cover of your album. If selecting canvas, your image is printed on canvas substrate with a coat of lamination for protection. Glossy covers are printed on E-Surface photographic paper with a fine coat of high gloss lamination. Our Fuji Pearl substrate is printed photographic paper with high gloss, giving off a metallic shine. Satin Covers are made of E-Surface photographic paper with a fine coat of matte lamination, for a softer fine art feel.
